'Uniform growth tough to attain'

Bangalore: Nov 17, DH News Service

The concept of overall development can be achieved through inclusive development, even if the

Speaking at the inauguration of a seminar on Vision 2020, he said it has been difficult to achieve balance. "In a state like Karnataka, one cannot expect to have balanced growth. We cannot expect investors to in The State needs to take up many liberalisation measures to accelerate the growth process. Especially, the said it has been difficult to achieve balance.
