Over 800 water connections cut

The Coimbatore Corporation has disconnected over 800 water connections of persons who had defaulted on property tax and water charges payment.

A press release from the civic body said that from October 26, 2016 to March 24, 2017, the Corporation had disconnected 809 supply lines, including illegal connections.

Based on instructions from Corporation Commissioner and Special Officer K. Vijayakarhikeyan, the civic body had disconnected 379 lines in South Zone, 131 lines in East Zone, 133 in North Zone, 63 in West Zone and 103 in Central Zone.
